Audra C. Eidem Heinze to Discuss E-Discovery Issues at Master's Conference Event

May 16, 2019

Banner Witcoff attorney Audra C. Eidem Heinze will speak on a panel examining a variety of e-discovery issues at the Chicago Windy City Legal and Data Event on May 16 in Chicago.

Hosted by the Master's Conference, the panel, "Using the ESI Agreement Effectively Throughout the Matter Lifecycle," will explore how to identify the case specific issues included in the ESI Protocol, production issues to consider, third-party discovery, and privilege protections.

Panelists will also address how to use the agreement to educate the court on issues, reduce disputes and provide a framework for discovery that all parties can follow.
