IAM Global Leaders Recognizes Robert S. Katz

Banner Witcoff attorney Rob Katz was recently interviewed by IAM for their 2021 Global Leaders interview series. The interview covered Rob's design patent practice, how COVID-19 affected his clients, and the America Invents Act.

IAM noted that Rob was "A luminary of the industrial designs world and the go-to for top companies for both design and utility patent work. One of the best in the business on prosecution, he's locked in on enforcement too, making him a superb all-rounder."

Rob was recently recognized by IAM for litigation and prosecution work in the IAM Patent 1000: The World's Leading Patent Professionals.
