Main: 202.824.3000
Fax: 202.824.3001

John represents clients in the preparation and prosecution of patent applications across a variety of technologies, specializing in electrical devices, digital communications, and computer software. Prior to law school, John gained experience in fields spanning from semiconductors and nanotechnology to laser devices and design through his background in electrical engineering.

John earned a B.S. in Electrical Engineering from the University of Illinois at Urbana-Champaign, and a J.D., magna cum laude, from the George Washington University School of Law. He began working at the firm in 2021 as a part-time law clerk through his final year of law school. Outside of the office, John is an enthusiastic skier and runner.
